## State Finals Competition Round Rules ("State Rules") Template

### COVER PAGE

The U.S. Chamber of Commerce Foundation (the "Foundation") provides the following rules to State Finals Hosts as a template for National Civics Bee® State Finals Competitions ("State Competition"). The Foundation defines a "State Competition" as a National Civics Bee-sanctioned live competition hosted by an official State Finals Competition Host ("State Host" or "Sponsor") after the completion of the National Civics Bee Essay Round and any Local Competitions in their state.

Individuals with concerns related to a State Competition should register their concerns with the applicable State Host. State Hosts are listed at [nationalcivicsbee.org](http://nationalcivicsbee.org) and searchable by zip code.

The State Rules are not in effect for the Essay Round, Local Competitions, Statewide Competitions, or the National Competition. All participants must comply with the applicable rules for each round of the National Civics Bee which may include an Essay Round, a Local Competition, a State or Statewide Competition, and a National Competition.

The operation of each State Competition is the responsibility of the State Host and the Foundation takes no responsibility for running the State Competition. Please note that there may be laws applicable to running the State Competition (e.g. laws on entry into competitions where there is a cash prize) and it is the sole responsibility of the State Host to comply with these laws or any other regulations. While the Foundation has drafted this template to comply with general best practices in competitions like this one, the Foundation makes no representation or warranty as to how the template complies or does not comply with laws applicable to the State Competition.

### ENTRY PROCEDURE

The National Civics Bee Contest is made up of several rounds, each of which is governed by its own set of rules. The first round, the Essay Round, is a prerequisite to entrance into a Local Competition and the

State Competition. State Competition participants must first be selected as one of the winners of the Local Round to advance to the State Finals.

### **FORMAT OF COMPETITION**

Top-scoring entrants to the Essay Round of the National Civics Bee are invited to advance to the Local Round. Winners of the Local Round are invited to advance to the State Competition (each being a "State Finalist"). The parent or legal guardian of each State Finalist must execute and return any required consent and publicity release to the State Host within ten (10) days of invitation, or the State Finalist will be disqualified, and alternate finalist(s) will be chosen. The State Finalists will compete in the live State Competition, which will determine the first, second, and third-place winners.

The State Competition will be made up of three rounds, including two rounds of civics-based quiz questions. Each correct answer will receive one point, and each incorrect answer or unanswered question will receive zero points. The five highest-scoring State Finalists from the first two rounds will participate in a third round of the State Competition which will include questions from a panel of judges regarding the State Finalists' essay submissions. The State Finalist with the highest cumulative score at the end of the third round will be determined as the First Place Winner of the State Competition. Second and Third Place winners will also be announced based on the highest cumulative scores from all three rounds.

In participating states with three or more Local Competitions, the top three winners from each Local Competition will advance to compete in the State Competition. After which, the First-Place winners from each State Competition will compete in the National Championship. In participating states with only two Local Competitions, five finalists will advance from each competition for a total of 10 students at the State Competition. In participating states with only one Local Competition, 10 finalists from the Local Competition will advance to the State Competition. In states with only a Statewide Competition, 20 essay finalists will be invited to compete. After which, the First-Place winner from the Statewide Competition will compete in the National Championship.

Each round of the NCB Contest is governed by its own set of rules. Local, State, Statewide, and National Competitions are subject to separate rules, terms, and conditions, and prizes may be won in each round. Participants should consult the applicable rules for specific details on each round.
